

iBT TOEFL Speaking Syllabus

Class	iBT TOEFL Speaking	Time		Days	
Materials	Example test questions, and additional test preparation materials will be provided by the instructor.				
Level(s)	Intermediate Mid (IM) - Intermediate High (IH)				
Class Description	<p>Students will learn a variety of test-taking strategies for responding effectively to questions in each of the six iBT TOEFL Speaking sections. As students become familiar with the TOEFL test structure through responding to practice questions, they will increase their confidence. Students will receive feedback from the instructor, as well as their peers, which will in turn help students learn how to evaluate their own (recorded) responses with increased clarity - so they can continue to practice more effectively beyond their time in class.</p>				

*Instructor will give you more detail schedule at the first class.
