

General English Conversation 1 Syllabus

Class	General English Conversation 1	Time		Days	
Materials	The instructor and students will select a variety of authentic materials.				
Level(s)	Beginning High (BH) - Intermediate Low (IL)				
Class Description	Students who enter the class speaking in simple expressions or simple sentences about limited familiar topics, will leave the class speaking in more complex and/or connected sentences about a wider range of familiar topics. The BH and IL level is for students who understand the basic grammatical rules of English, and can use basic sentences to express themselves in familiar and easy topics (i.e. hobbies, weekend activities, food, music, movies, etc.) This class is for students who want to challenge themselves to move from basic single-sentence responses to more complex connected sentences within these familiar topics.				
Course Objectives	<ul style="list-style-type: none"> - To create a comfortable atmosphere to get rid of the anxiety of using English in everyday conversations - To form a new habit of exercising English every day - To study and learn new phrases from native speakers which are used to enhance student's English expressions in conversations - To form new relationships with other students interested in learning and enhancing their English skills. - To practice moving from basic sentence conversation to complex and connected sentence conversation
